presents

All About Little Creek Community Park Education Program

Saturday, June 10th
Time: 11am-Noon
Location: Little Creek Community Park Pavilion
(1657 Route 116 Spring Grove)
FREE EVENT

Come out and learn about conservation work that is underway at Little Creek Community Park, including the creation of a native meadow habitat, a stream restoration project and reforestation!

This is a walking presentation led by Senior Forests Projects Manager Ryan Davis from the Alliance of the Chesapeake and members of the Penn State Master Watershed Stewards will also be assisting with the program.

Light Refreshments will be available at the conclusion of the program.
This program is FREE. Pre-registration is preferred.
Donations Appreciated
Please email springoverec@comcast.net to register.
